# KANBAN + RETROSPECTIVE

**Use this when** you want to visualize what's been done, what's in progress, and what there is to do.

## Requirements List

Gantt Chart and Visio diagram goes in your TEAM folder

## Project Board

### Planning

Visualize your progress this week with a simple Kanban Board. Duplicate the framework if you'd like more people or teams to participate in this same mural.

Team/ Team member name
